Q1 Longevity of marriage

According to your horoscope, the wife related planets are Mercury and Moon. The planet Moon is in 2nd house. This indicates benefit from your spouse. For example, you would get good progress in life after marriage. Or, your spouse will help you in life for your financial growth.

The planet Mercury is in bad aspect from Mars and Saturn but it is in good aspect from Jupiter, Venus and Sun.

The bad aspect from Mars indicates that either you or your spouse will become aggressive and irritable in nature. This leads to arguments and fights

between you and your spouse.

The bad aspect from Saturn indicates that you and your spouse may have to live separately for sometime. For example, on account of your jobs, you and your spouse may live in different places and this comes under separation. This may last for very less period of time.

The planets Mars and Saturn are getting activated during the year 2020. Hence during that year, all or some of the following events can be expected:

1. there will be fight between you and your spouse.
2. there are chances of some health problem for your spouse or for you.
3. there are chances of some surgery to your spouse or for you.
4. there may be temporary separation between you.

The above things are not showing any termination of married life. **Hence you are having very good longevity for married life.** Once the year 2020 is crossed, you will have continuity of married life without the above said problems.

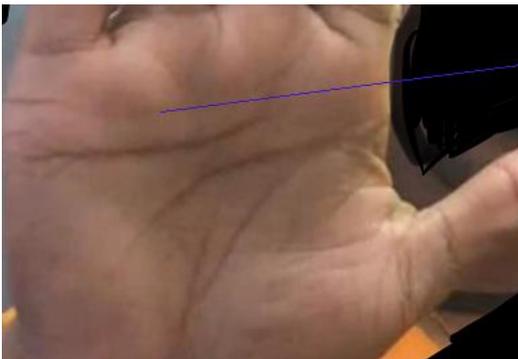

Q2 Is there early death for wife?

7th lord placement in 2nd house does not give death. This is absurd. It indicates growth and benefits from spouse. She may come from rich family than yours.

But the affliction to the planet Mercury indicates health trouble / surgery / accident to your spouse.

Mercury is protected by Jupiter and Venus which are the top most favorable planets in Astrology. This indicates long life for your spouse.

Hence there is no early death for your spouse. Your spouse will have normal longevity.

marriage line mixed with girdle of Venus -> high sensitive nature, possessive nature, emotional imbalance. This leads to minor troubles in the married life.

Palmistry findings:

Your marriage line is mixed with the girdle of Venus. This indicates possessive nature on your part. You will not give much freedom for your spouse. You are likely to have more emotional imbalance than normal. This may lead to some misunderstandings between you and your spouse. However, there are no indications of separation or divorce in your palms.

Remedies

Remedy to get good married life and longevity for spouse:

Worshipping Lord Hanuman is the best remedy to pacify the planets Mars and Saturn, in your horoscope.

Daily recite 'Hanuman chaalisa' for 5 times in the morning. Hanuman chaalisa represents the 40 verses written by Tulasidas praising Lord Hanuman. Lord Hanuman is also known as Anjaneya or Maruthi.

After recitation is completed, offer some fruit like a banana, coconut, orange, apple etc on Saturday and Tuesday. You can also offer honey, sugar cubes, milk with sugar, a piece of black jaggery to Lord Hanuman.

Whenever it is possible, go to Hanuman temple (on Saturdays and Tuesdays especially), and do 27 pradakshinaas (going around) around Lord Hanuman. Then sit in the temple for 10 minutes and then go on your regular duties.

Kindly give us your feedback from time to time. This will help us to render better services to you. Please quote your case number in all transactions. Any doubts on this report can be expressed immediately.

May stars brighten your future!
